MEET THE BESPOKEVOYAGEZ TEAM

Betty Sinyan - Project Director

Betty serves as the Project Director for BespokeVoyagez, where she oversees the elite programs for top executives, entrepreneurs, and ministers. With a background in NGO work in Gambia and deep insight into the African market, she offers a unique global perspective.

Known for her ability to manage high-profile projects, Betty excels in orchestrating complex initiatives, fostering strategic partnerships, and ensuring tailored leadership solutions. Her dedication to excellence and innovative approach make her instrumental in delivering transformative leadership experiences.

George Olaiya – Head of Business Development

George Olaiya is currently the UK Managing Director for Admiralty Homes, a successful real estate company with offices in Nigeria, the UK, and the USA. Admiralty Homes has been active in property development and construction since 2005, during which time it has built over 450 dwellings across Nigeria.

Over 70% of Admiralty Homes properties are sold to Nigerians in the diaspora. Mr. George Olaiya is tasked with delivering numbers and managing the UK market for the company.

Prior to this position, he spent over 20 years in the UK retail industry, some of this at various managerial levels for Comet Electrical and Dreams UK, during which he successfully managed multi-million-pound stores, growing the business year on year and improving key performance indicators.

Lolley Sinyan: Head of operations

Lolley brings extensive experience in business management and events management for BespokeVoyagez having successfully led teams, optimized operations, and delivered impactful events.

Her business management expertise includes strategic planning, resource allocation, and fostering client relationships, while her events management background spans end-to-end planning, logistics coordination, and crafting exceptional attendee experiences. This unique combination allows Lolley to drive both business growth and event excellence seamlessly.

Engr. Elijah Jaiyeola – Head of Nigeria Business Development.

An accomplished professional with extensive expertise in the building and construction sector, specializing in property refurbishment, project management, and property development. Skilled in resource allocation, budget management, and timeline adherence to consistently deliver superior results that exceed client expectations. Committed to promoting safety in construction and actively contributing to the development of policies for the building construction industry in Lagos State.

Renowned for exceptional interpersonal abilities, including effective leadership, organizational prowess, and clear communication. Demonstrates a talent for coordinating labor and machinery efficiently, ensuring projects are completed on schedule and within budget..
